

## Datasheet

Model Number : TMT42QM

# DC~4GHz, 2W, QMA Male Coaxial Termination

## Specifications

|                       |   |
|-----------------------|---|
| Frequency Range       | DC-4GHz                                     |
| Input Avg Power       | 2W@25deg. C                                 |
| Peak Power            | 250W<br>(5μsec pulse width, 0.4%duty cycle) |
| VSWR                  | 1.15 max.                                   |
| Impedance             | 50 Ohms                                     |
| Connector             | QMA Male                                    |
| Connector Body        | Ternary alloy plated brass                  |
| Center Contact        | Gold plated brass                           |
| Operating Temperature | -55~+100deg. C                              |
| Storage Temperature   | -55~+125deg. C                              |
| Heat Sink             | N/A   |
| RoHS Status           | RoHS Compliant                              |
